

CYBER SAVVY STUDENTS

A students' guide to cyber citizenship and protective online behaviours

Date:

Location:

For grades:

Workshop overview

- ✓ Empower young people to make smart decisions about their online behaviour
- ✓ Educate students to treat their peers respectfully in cyber space
- ✓ Show students how to protect their online reputation
- ✓ Teach students to respond to online harassment quickly and safely

Facilitator

Tena Davies is an educational psychologist and cyber expert. She is conducting doctoral level research at Swinburne University, exploring which factors keep children safe online. Tena is the co-author and facilitator of the Net Negotiations Programme, which is conducted nationwide. Her media contributions and publications on Cyber Safety can be viewed at www.tenadavies.com
